

**PROGRAMME ACQUARIO DI GENOVA  
WORLD OCEANS DAY 2010**

- 
- **from 31<sup>st</sup> May to 8<sup>th</sup> June** , along the exhibit area, free edutainment activities for Acquario di Genova visitors dedicated to biodiversity: "An Ocean of life". Four travelling activities per day (starting at 11.00, 12.00, 14.30 and 15.30) and lasting 40 minutes, with interactive games for adults and children. "Biodiversity gadgets" (a pocket guide on marine biodiversity) will be gifted to participants.

**on 4<sup>th</sup> June:**

- 16.00/17.00, in Sala Nautilus, public presentation of the new Liguria Marine Protected Areas Network, with the sign of the Formal Agreement by the presidents of the 5 MPA.
- 17.30/19.15, in Auditorium, public conference: "Migratory species of the air and of the sea, ambassadors of Biodiversity on the Earth?". Speakers: Emilio Baldaccini, Ecology, Ethology and Evolution Department, University of Pisa; Corrado Piccinetti, Marine Biology and Fishery Laboratory in Fano, University of Bologna; Ferdinando (Nando) Boero, Environmental Sciences Department, University of Lecce; moderator: Lilia Capocaccia, president of the "Amici dell'Acquario di Genova" Association (or Marco Barbieri, CMS, if available).  
For this event we will really appreciate the availability of Mr. Giovanni Leone as UNEP formal representative with a welcome/introductory speech.
- 19.30/20.15 welcome aperitif/cocktail reserved to the conference audience, open air or inside the aquarium (depending on the weather conditions).
- 20.15/21.00 final music event, with a short concert by Roberto Cacciapaglia (piano), author of original music related to water and the ocean.

**On 8<sup>th</sup> June:**

-In Nautilus room from 9 AM to 13 AM **Klimare**-educational event addressed to the first grade schools about climate change issues, organized within the **European Project Accent-I DO**.

In Auditorium **"The sound of the Ocean"** concert open to the large public
